High School

- Graduated grade 12

VOLUNTEER EXPERIENCE

I have been a member of the Moose Jaw Humane Society since 1990 and spent approximately 8 years as a member of the Board of Directors. I have experience dealing with the public through the Humane Society's many fundraising events and sales such as their annual garage sale, raffles, bingos and other events. For a number of years I was also one of the Humane Society's volunteer Emergency call-out people and a licensed Animal Protection Officer.

As a member of the Sukanen Ship Pioneer Village Museum, I am one of several individuals who operate, and repair when necessary, many of the antique cars, trucks, tractors, and farm machinery used in the museum's many annual events.

I have recently become involved with the local Boy Scouts as a volunteer on the Camp Committee as one of the maintenance people for the local Scout Camp property.
